Subject: Extension of Expiration Date for ASME Accreditation of 'NPT' & 'NS' (N-2952 & N-3026) Exp.
3/16/2010

Dear Mr. Sakmar:

This letter is to serve as an extension of expiration date for the subject Certificate for which the current expiration date is March 16, 2010.

Since you are presently scheduled for a survey on March 8 - 10, 2010 this extension will allow sufficient time for the evaluation of the survey results. Therefore this extension of the expiration date of your subject Certificate will expire on **May 30, 2010** or upon the completion of the evaluation of the results, whichever comes first.

Very truly yours,

Bibi W. Rahim, Manager
Conformity Assessment Dept.
